This is the first time I've heard that (b) (5) (DP)

(b) (5) (DP)

Work is done, filed the final POLREP weeks ago on North College Ave.

If Mike and the CO are both OK with (b) (5) (DP)

then I'm fine with the change. Their comments (b) (5) (DP)

. But, if it makes them feel needed, what the hell. Go for it.

Hi Mike,

Attached are the QA comments in track changes on the ERRS TO 039 Red Arrow Mill Site SOW.
There are no comments on the QARF.
Using the Webforms routing slip, please route the QARF and corrected SOW to include the COR (yourself?), me and Linda for concurrence and signature.

The QARF for ERRS TO 038 North College Ave Site indicates the work on this task has begun and is almost complete. QARFs cannot be signed after the fact.

Please let me know if you have any questions.

Thanks,
Jenn

Linda,

Attached are QARFs and SOWs for North College Ave. Drum Site (T.O. #38) and Red Arrow Mill (T.O.#39).

T.O.#38 was an emergency removal and Red Arrow Mill is a Time Critical Removal slated to start on March 31, 2014.

Should questions arise, please let us know you concerns. In advance, thanks.
